

I tried telling a few  
fart jokes to my  
friends once...

Oh yeah?  
Did they tell you,  
"You stink?"

It stinks that we  
still don't know  
the purpose of  
this book!

Did you happen to read that new book about Mt. Everest?

Yes, it had quite the **cliffhanger!**

C'mon, don't leave us hanging-- what kind of book are you?

That's a shame because sloths are *so trendy* right now.

Actually, I think everyone moved on to narwhals while waiting for sloths to happen.

Well, what are we going to tell the grown-ups? What is your purpose? You've told us what kind of book you aren't and all the things you don't have, but we still don't know—  
**WHAT KIND OF BOOK ARE YOU?!?**
